You will hear a whistle blow if we need to get your attention whilst in the water, we try to keep people within 20m of the boat.

We issue life jackets as flotation aids as they are much safer. We have swim noodles available for those who are more confident in the water.

A paddle board and canoe available on the St Georgios 2 boat.

TURTLES

Turtles are ancient mariners; let's ensure their journey continues.

It is on everyone's bucket list to see a turtle in the wild, swimming free and not in an aquarium.

We are lucky to have them around the coastline of Cyprus. We always keep an eye out for turtles and will tell you as soon as we spot them.

If we are at a swim stop and the turtles arrive we have GOLDEN RULES to keep them safe, and we ask everyone to remember that we are guests in their home.

- DO NOT touch the turtles.
- DO NOT chase the turtles.

They will be happy to swim around you and gift you the most amazing photo opportunity, this is their gift to you. Your gift to them will be the support of their continued existence and to follow our rules.

The St Georgios II is a stylishly, sleek luxury yacht, in a class of its own sailing from Protaras.

We offer a cruise that is fun for all ages, family friendly and superb value for money.

This is a vibrant boat, and so much fun, the time will literally sail away.

Great music playing with an 80's/ 90's and noughties vibe. If you want to get up and dance, we will be there with you, if you want to sit with a cocktail and watch the world pass by, we are right behind you.

We encourage everyone to cruise exactly how they want to. Making memories that will last a lifetime.

The 80's/90's DJ sunset is the most talked about cruise on the island.....and for a very good reason.....IT'S GREAT FUN!!

We start off slow and work up to the best 80's/90's vibe on the island. Time will fly by as you make some fantastic memories with good food, great drinks and superb sounds delivered by our very own resident DJ.

You will see the sunset over Protaras. As the sun goes down, the vibe goes up, prepare yourself for an unforgettable evening at sea which will take you back in time to those disco nights.

Everyone loves to see the sun go down, there is no better place to be, than on a boat and seeing the reflection in the water.

We will serve an early dinner before the sun sets, then we will take the boat out to sea, so that you can get the best view of the setting sun. Treat yourself to a chilled bottle of Champagne to make it even more memorable!

For the last hour of the cruise you can relax on our lower deck or if you like to have a dance, the bar deck will be the place to be.

The St Georgios is straight from the history books, once owned by one of the most famous and popular Presidents of Cyprus, Glafcos Clerides.

This was his personal private yacht where many hours were spent cruising the coastline, giving him a haven of serenity, gathering his thoughts and spending memorable days with his family, it was also used for private meetings with Heads of State from around the world. Just imagine who was sitting on that sofa in the lounge.....

With many of the original features still in place, we have lovingly renovated this piece of history and our cruises reflect excellent value for money.
